Fall Housing Selection

Reserve your room for Fall 2017 in 3 easy steps:

1

Pay a \$500 **non-refundable housing deposit** by noon on March 22. Deposits can be paid by check, cash, or credit card at the Center for Student Services or online through accessing *Student Accounts Suite* via MMC Connect.

* Please make sure you do not have a balance on your student account, otherwise your \$500 deposit will be considered payment on your account, not your housing deposit.

2

Complete the **Returning Student Housing Application** found online at www.mmm.edu/residencelife - click Applications and Forms

3

Come sign-up on your **scheduled day to select your room and choose your specific bed!**

Lottery Information & How to Reserve Your Bed

- After noon on March 22 any student who has submitted **BOTH** their housing application and deposit will have a lottery number generated for a two hour time slot. Students will be emailed their time slot later that week.
- Students who submit both an application and deposit after noon on March 22 and before noon on March 29 will get to choose their room on March 30, the last day of Fall Housing Selection. Students who submit their application and deposit after March 29 will have a space assigned to them after FHS, as space allows.

Individual Sign-Up: Arrive during your time slot on the assigned day, or have a proxy attend in your place. You can choose your room or let us match you with roommates. It is possible you may have roommates you do not know.

Group Sign-Up: If students want to go as a group they can pick the roommate with the earliest time slot. Everyone in the group **MUST** be present at the time of selection or designate a proxy to represent you. The proxy must have a Proxy Form for everyone in the suite not in attendance.

Proxy forms can be found online, in the RA Office, or in the Office of Residence Life in Carson 807. Questions? Stop by Residence Life in Carson 807 or talk to your RD in your building.
