This Agreement is made and entered into as of the 1<sup>st</sup> day of September, 2017 by and between MARYMOUNT MANHATTAN COLLEGE in the City of New York (hereinafter called “the College”) and MARYMOUNT ADJUNCT COLLECTIVE, Local 7946, NYSUT, AFT, NEA, AFL-CIO (hereinafter called “the Union), wherein it is mutually agreed as follows:

**ARTICLE I – RECOGNITION: THE COLLECTIVE BARGAINING UNIT**

**Section 1:** Marymount Manhattan College (“the College”) recognizes the Marymount Adjunct Collective, Local 7946, New York State United Teachers, AFT, NEA, AFL-CIO (“the Union”) as the sole and exclusive bargaining agent for all regular adjunct faculty, tutors, accompanists, private voice instructors, and dance technique instructors employed by the College at and out of its facility at 221 East 71<sup>st</sup> Street, New York, NY.

**Section 2:** All other employees, including full-time faculty, individuals paid on a per session basis, faculty who do not teach a course for at least one credit, adjunct faculty who are employed on a casual fill-in basis (i.e. not more than five (5) classes in a semester), advisors, independent contractors, visiting guest artists or lecturers, administrative, managerial, professional and other regular and part-time staff including those who concurrently lecture or teach courses, non-teaching personnel, students, and guards, executives, administrators, managers and supervisors as defined by the Act, are excluded from the bargaining unit.

**Section 3:** Whenever the word “employee,” “adjunct faculty,” “part-time,” “tutors,” “accompanists,” and “dance technique instructors” are used in this Agreement, they shall be deemed to mean the employees of the College in such classifications, respectively, described in the inclusions in the bargaining unit covered by this Agreement, as defined in Section 1 of Article I above.

**Section 4:** For the purposes of this agreement, “units of work” shall be understood as the following:

<b>Title</b>	<b>Description of One (1) Unit of Work</b>
Adjunct Faculty	Teaching one (1) course over the duration of a semester.
Accompanists	Accompanying one (1) course over the duration of a semester.
Tutors	Working tutoring shifts totaling an average of at least three (3) hours per week over the duration of a semester.
Private Voice Instructors	Teaching at least three (3) students over the duration of a semester.

For the purposes of this agreement, a bargaining unit member who completes a minimum of one (1) unit of work during a semester shall be considered employed during that semester.

**Section 5:** While staff members who teach classes are not covered by this Agreement, such staff members who teach a class shall be subject to the terms of Annex A hereto.

## **ARTICLE II – BARGAINING UNIT INFORMATION**

**Section 1:** Within thirty (30) calendar days after the commencement of the Fall and Spring semesters, and within seven (7) calendar days after the commencement of the January and Summer semesters, the Union shall provide the College with a list of its officers and representatives, including their official mailing address, email addresses and phone numbers. If there are changes in these positions, the Union will advise the College of such changes as soon as possible.

**Section 2:** The College shall provide to the Marymount Adjunct Collective a list of all Bargaining Unit Members within thirty (30) calendar days after the commencement of the Fall and Spring semesters, and within seven (7) calendar days after the commencement of the January and Summer semesters and within seven (7) calendar days of the hiring of any new Bargaining Unit Member. This list shall include the following information for each Bargaining Unit Member: Name, mailing address, position, date of hire, department name(s), course title(s), compensation, any other benefit(s) known at the time, number of semesters taught and, with the employee's consent, his/her primary telephone number and external email address.

## **ARTICLE III - UNION SECURITY**

**Section 1:** All employees shall become members of the Union or agency fee payers no later than the thirtieth (30th) day following the beginning of such employment or thirty (30) days after the execution date, whichever is later, and shall thereafter maintain their membership in the Union in good standing as a condition of continued employment. All employees who choose to pay agency fees, rather than membership dues, shall pay agency fees as a condition of continued employment.

**Section 2:** For the purposes of this Article, an employee shall be considered a member of the Union in good standing if he/she tenders his/her periodic dues and initiation fee uniformly required as a condition of membership.

**Section 3:** An employee who has failed to maintain membership in good standing or fails to pay agency fees as required by this Article shall, within thirty (30) calendar days following receipt of a written demand from the Union requesting his/her discharge, be discharged if, during such period, the required dues and initiation fee or agency fees have not been tendered.

**Section 4:** The Union agrees that it will indemnify and hold the College harmless from any recovery of damages sustained by reason of any action taken under this Article.

**Section 5:** The College shall distribute Membership Information, and/or a Membership form and Dues Checkoff authorization as provided by the Union. The College will deduct all Union membership dues as provided for in the authorization form as executed by the employee.

The College shall include these items in its initial hiring packet together with other new hire paperwork that is provided to all prospective bargaining unit members. Additionally, to ensure that all bargaining unit members are in compliance with this Article, the College will provide employees with a copy of these items at the time of hire, appointment, and/or reappointment. The provision shall not apply to substitute employees.

Section 6: The College will notify the Union promptly of any revocation of such authorization received by it.

#### **ARTICLE IV – COMMITMENT TO ACADEMIC FREEDOM**

Section 1: Marymount Manhattan College and the Marymount Adjunct Collective subscribe to the principles of Academic Freedom. Specifically, unit members shall have academic freedom as teachers and researchers in full accordance with the provisions of the 1940 AAUP *Statement of Principles on Academic Freedom and Tenure* and the College's Policy on Academic Policies set forth in the College's Faculty Handbook.

#### **ARTICLE V – NON-DISCRIMINATION**

Section 1: Neither the College nor the Union shall discriminate against any adjunct faculty member on the basis of race, color, religion, gender, sexual orientation, ethnic or national origin, disability, age, veterans' status, union activity, lack of union activity, or any other protected status. Any violation of this Article may be grieved under the grievance procedure as defined in the contract.

#### **ARTICLE VI – SEXUAL HARASSMENT**

Section 1: Marymount Manhattan College is committed to the principle that no employees shall be subject to sexual harassment, which includes, but is not limited to, unwelcome verbal or physical sexual advances. In the case of such harassment, an employee may pursue the grievance procedure. Grievances under this Article will be processed in an expedited manner.

Section 2: In this spirit the College shall notify all of its employees of its policy regarding sexual harassment, including required participation in the College's online training program.

#### **ARTICLE VII – LABOR MANAGEMENT COMMITTEE**

Section 1: Once per academic year, a meeting shall be convened between the President of Marymount Manhattan College and the President of the Union. Such meeting shall be scheduled at a mutually convenient time. Either individual may submit items for discussion, so as to keep each other abreast of developments and to foster openness, productive dialogue and collegiality. Such items will be submitted in writing to the other individual at least seven (7) calendar days before the scheduled meeting.

Section 2: Twice per academic year, representatives of Marymount Manhattan College, MAC, and MUSE shall meet at a mutually convenient time to discuss matters of mutual concern and interest. The agenda of these meetings will encompass, but not be limited to, the subjects of Labor-Management Relations, Health and Safety, Health Insurance, Space, Facilities and Access, and Distance Learning and Education Technology. The duration of these meetings shall be no less than one hour each.

#### **ARTICLE VIII – OBSERVATION AND PEDAGOGICAL REVIEW POLICY**

Section 1: The College is dedicated to the observation and pedagogical review of unit members to support excellence in teaching and adherence to academic and professional

standards. Written policies regarding the classroom observation and pedagogical review of bargaining unit adjunct faculty, as they may exist from time to time, will be made available upon request.

Section 2: Commencing after the second semester of appointment, and no more than once during every two (2) continuous academic years of appointment thereafter, a unit member will receive or may make a request, in writing, to the Vice President for Academic Affairs and Dean of Faculty (hereinafter in Article 8 “Dean”) and the Chair of the division in which the bargaining unit adjunct faculty member teaches, for an observation and pedagogical review of the unit member. Upon such a request, the Chair and/or Dean in her or his discretion shall decide whether the request will be approved or deferred. The decision to approve or defer the request shall be timely made in writing. Further, the Chair and/or Dean shall determine who shall conduct the observation and pedagogical review, which shall include either active or retired full-time faculty or academic administrators. The Chair and/or Dean has the unlimited discretion to defer the request based on division/department resources and/or any factor the Chair and/or Dean considers relevant. Any such observation and pedagogical review conducted under this Section or the decision to defer the request shall not necessarily be construed to mean that the bargaining unit adjunct faculty member’s performance is satisfactory. Reasonable efforts will be made to conduct the evaluation in the semester requested, but it may be deferred to a subsequent appointment term within one (1) year from the time of the initial request.

Section 3: Neither the Union nor any bargaining unit member shall have the right to grieve the results of any observation or pedagogical review.

Section 4: The College may observe teaching performance at any time. The unit member ordinarily shall have one week’s advance notice of such action but may not if, in the College’s good faith judgment, circumstances do not warrant it. A meeting shall be held with the member within two (2) weeks of the observation, and a written report shall be provided within ten (10) business days of said meeting including a plan for professional development if recommended. The adjunct faculty member shall review and sign the observation report, and he/she may also submit a written response thereto.

Section 5: In an effort to ensure teaching excellence, the College will promptly notify adjunct faculty members of any concern(s) regarding poor performance. In the event that an adjunct faculty member receives a negative pedagogical review, the adjunct faculty member shall have the right to request, in writing, one (1) subsequent review from the Chair and/or Dean of the division in which the bargaining unit adjunct faculty member teaches. The Chair and/or Dean has the unlimited discretion to approve or defer the request based on division/department resources and/or any factor the Chair and/or Dean considers relevant. The decision to approve or defer the request shall be timely made in writing. Further, the Chair and/or Dean shall determine who shall conduct the subsequent observation and pedagogical review, but in no case shall the observation and pedagogical review be conducted by the same individual who conducted the initial negative review.

## ARTICLE IX - APPOINTMENT AND REAPPOINTMENT

Section 1: The appointment or reappointment of bargaining unit adjunct faculty shall be the exclusive responsibility of the College. Notification of an appointment or reappointment shall be in writing and include details of the assignment, term of appointment, and compensation. Such notification shall be communicated to the adjunct faculty member as soon as practicable after the decision is made.

Section 2: Adjunct faculty members shall receive notice of appointment or reappointment as soon as reasonably possible, but, (a) for the Fall or Spring semester, no later than fourteen (14) days before the start of the semester in which the adjunct faculty member has been appointed or reappointed to teach, unless the course only becomes available within such fourteen (14) days or other circumstances make fourteen (14) days notice impossible, and, (b) for the January or Summer semester, no later than seven (7) days before the start of the semester in which the adjunct faculty member has been appointed or reappointed to teach unless the course only becomes available within such seven (7) days or other circumstances make seven (7) days notice impossible. In the event the course only becomes available or circumstances make the aforementioned notice periods impossible, the College shall provide as much notice as is practicable. Such appointment or reappointment shall be made for a particular course(s) and term only.

An appointment or reappointment shall be deemed confirmed upon publication of the adjunct's name with the course either in the College bulletin or on the College website, subject to correction within five (5) business days, and further subject to cancellation per the terms of this Agreement. Further, if a bargaining unit member is listed in a publication to teach a particular class or if he/she has been offered a particular class and that class has less than 50% enrollment of the published course cap on the MMC website, then 28 days prior to the start of the semester (14 days for the January and summer semesters), the College shall notify the bargaining unit member of the status of enrollment for the class on that date.

Section 3: Adjunct faculty members who have previously taught a course for a minimum of five (5) semesters in the five previous years in which the course has been taught and offered to the member at the College will receive good faith consideration for appointment to teach the same course if it is offered by the College within one (1) academic year of the most recent appointment, provided that the College intends for the course to be taught by a unit member covered by this Agreement. Good faith consideration shall mean that reappointment may be denied, reduced, or subsequently cancelled in the following circumstances:

- (a) Elimination or downsizing of a department or program, or elimination of a course or section, or a reduction in the number of courses or sections (hereinafter "courses") offered in the applicable semester;
- (b) Any circumstance in which a course will be taught by a full-time faculty member;
- (c) Cancellation of a course(s) due to under enrollment;
- (d) Documented poor performance by the unit member, which shall be based upon, but not limited to, pedagogical reviews, classroom observation(s), student

- evaluations, or failure to follow the College's standard procedures, including those contained in the unit member's respective Letter of Agreement and the applicable Part-Time Faculty Handbook. Student evaluations alone shall not be used as the exclusive basis to deny, reduce, or subsequently cancel an appointment;
- (e) Discharge or misconduct as defined by the College's Standards of Conduct or other rules and regulations, non-performance, improper or incompetent performance, or for any other cause deemed sufficient in its sole discretion;
  - (f) Denial of access of a unit member to the Bedford Hills Correctional Facility or other entity that has shared responsibility with the College for the educational program(s) offered by the College; or
  - (g) Other bona fide reasons necessitating a relevant change in academic, fiscal, or programmatic needs.

In the circumstances set forth in subparagraphs a, b, c, f and g, the Vice President of Academic Affairs and Dean of Faculty, or his or her designee shall use his or her best efforts to consider appointing the impacted faculty member to an available scheduled course that the unit member is qualified to teach.

Section 4: A. The College shall have the right to discipline and discharge any bargaining unit employee for just cause. The College shall notify the Union in writing of any suspension or discharge within five (5) days of the time of suspension or discharge. If the Union desires to contest the suspension or discharge, it shall give written notice thereof to the College within five (5) working days, but no later than ten (10) working days from the date of receipt of notice of suspension or discharge. In such event, the dispute shall be submitted and determined under the grievance and arbitration procedure hereinafter set forth; however, commencing at Step 3 of the grievance procedure.

B. In the event a termination from employment during a term occurs, the bargaining unit member shall have the right to grieve said termination. Should the matter proceed to arbitration, and the Arbitrator finds that the College lacked just cause, the Arbitrator shall have the authority to order reinstatement and back pay, but only up to the balance of the term in which the termination occurs.

Section 5: If a bargaining unit member is not re-appointed for the following semester, including the January, Summer I and Summer II sessions, they shall not be denied unemployment benefits by the College.

## **ARTICLE X - CLASS SIZE**

Section 1: The College shall have sole discretion for accepting an overenrollment of students in classes taught by bargaining unit members. In the event enrollment exceeds published class limits, the Department Chair shall discuss any issues related thereto with the affected adjunct faculty member within two (2) weeks of the commencement of the term.

The parties agree to form a study committee to review the issue of overtallies and steps that can be taken to reduce the occurrence of such occurring and/or means of addressing the situations where overtallies occur.

## **ARTICLE XI – DISTANCE LEARNING AND EDUCATIONAL TECHNOLOGY**

**Section 1:** The College and the Union agree to study Distance Learning and related educational technology. Distance learning is defined as a form of teaching and learning where the teacher and the student are not in the same room at the same time.

## **ARTICLE XII – DEPARTMENT MEETINGS AND INFORMATION**

**Section 1:** All bargaining unit members shall be invited to attend department meetings at the discretion of the Department Chair. Requests by bargaining unit members to attend department meetings won't be unreasonably denied. In addition, bargaining unit members shall be invited, where not inappropriate, and at the discretion of the Department Chair, to serve on department committees.

**Section 2:** Official College notices regarding curricula, course offerings, and full-time faculty vacancies which are distributed to full-time faculty, shall also be distributed to bargaining unit members.

**Section 3:** Upon commencement of a search to fill a full-time faculty vacancy, the College will post the vacancy on the College's website.

## **ARTICLE XIII - SPACE, FACILITIES, AND ACCESS**

**Section 1:** The parties recognize the importance of adequate space and facilities in accomplishing the educational mission of the College.

**Section 2:** Bargaining unit adjunct faculty shall have reasonable access to desk space, computers and meetings spaces for the purpose of class preparation, meetings with students and other academic activities. Meeting spaces include, but are not limited to department offices, the library, Nugent Lounge, the cafeteria and classrooms when not in use for class. Bargaining unit adjunct faculty also shall have access to College libraries, lounges, cafeterias, computer rooms, etc. on the same basis as these facilities may be available to full-time members of the College faculty. Such faculty also shall have access to College e-mail accounts. Bargaining unit adjunct faculty shall not be permitted to conduct classes or instruction in their private residence and/or off campus office. If bargaining unit adjunct faculty deem it necessary to meet with students in galleries, studios, museums, performance spaces or other off-premises locations not otherwise prohibited above, they must comply with any College policies in connection with such off-premises activity.

**Section 3:** Bargaining unit adjunct faculty shall have access to photocopying machines for the purpose of copying College, class-related materials, shall have library borrowing privileges including any consortia rights, the right to borrow books for the entire semester and shall not be charged for late fees until such time as the full-time faculty members are charged.

## **ARTICLE XIV - TUTORS AND ACCOMPANISTS**

### **Appointment and Reappointment:**

**Section 1:** Students will be assigned to work with tutors in the Center for Academic Advancement based on the tutor's area of expertise, the quality of the tutor's prior performance, the tutor's credentials and experience, and students' specific learning needs. Setting the tutoring schedule will take into account the availability of tutors and students as well as the opportunity to make tutors available to students at times that complement the schedule of relevant courses. Length of employment with the College shall also be given substantial consideration if the foregoing factors are otherwise similar.

The College will make reasonable good faith efforts to assign a tutor at least the same number of hours as worked in the prior semester, giving due consideration to student demand and student needs, as well as the performance of the tutor. If there is a student demand for a particular subject, seniority will be given reasonable good faith consideration when disseminating hours to tutors who have been determined by the Director of CAST to be qualified to tutor on a needed subject matter. If the Director of CAST does decide to reduce a tutor's hours or make other schedule adjustments based on the tutor's performance, then the Director must notify the tutor of the decision and show documentation justifying the decision. The tutor should be given the opportunity to respond to the decision and communicate his or her concerns with the Director in a reasonable amount of time before such modifications to the tutor's schedule are implemented.

### **Observation and Pedagogical Review:**

**Section 2:** Currently, the Director and/or Assistant Director, or their designees, observe and evaluate the work of tutors and the Program Coordinator and Chairs observe and evaluate the work of accompanists. At the Director's or Chair's sole discretion, peers may also be asked to observe and evaluate the work of tutors and accompanists. This practice will continue. The College shall provide work evaluations, when they exist, to tutors, accompanists, and private voice instructors.

### **Other Work:**

**Section 3:** During downtime (i.e., non tutoring time), tutors may be required to perform other tasks for the Employer, such as recruiting students to the Center. However, tutors will not be required to create materials on the Center's website (but may be required to input material created by others).

**Section 4:** If a tutor is asked to stay beyond the existing schedule on any day, and is required to commence performing such additional work within 30 minutes of the original end time, the tutor will be paid for all hours worked consecutively notwithstanding any break of less than 30 minutes duration after the end of the originally scheduled hours.

**Section 5:** The Director or the Assistant Director shall send out a proposed schedule of tutoring availability on or before May 30th and tutors will be required to send a response that indicates their availability by June 30th; final schedules will be distributed by August 1 (any

tutors who do not return their availability request by June 30th may not have their request considered for scheduling purposes). Further, the schedule described in this section is dependent on the distribution of the proposed schedule of tutoring availability by May 30th.

**Section 6:** When an hourly bargaining unit member is scheduled for work, and that work is cancelled with less than 24 hours' notice, the bargaining unit member shall be paid the full wage for the hours that member was scheduled to work for the day in question, unless the bargaining unit member is able to reasonably reschedule the hours in question to another day in said week.

#### **ARTICLE XV - VISITATION, UNION ACTIVITY BULLETIN BOARDS, NOTICE**

**Section 1:** A representative of the Union shall have reasonable access to the College, upon reasonable advance notice to the Director of Human Resources, or her designee, in a mutually agreeable location and time, for the purpose of conferring with the stewards of the Union and/or employees covered by this Agreement, and for the purpose of administering this Agreement. Such visits shall not interfere with the operation of any department or office.

**Section 2:** No employees shall engage in any non-work activity, including the distribution of literature, which would interfere with the performance of work.

**Section 3:** The College shall provide at least one (1) bulletin board in a reasonably accessible place, such as near the elevator banks, for Union notices. No notices which are derogatory to the College shall be posted.

**Section 4:** The Union shall have the right to reasonable use of photocopying equipment. A separate account for photocopying shall be made available to the Union for the purpose of carrying out Union activities.

**Section 5:** The College agrees to provide the Union with a locked file cabinet.

**Section 6:** Shop stewards shall not handle grievances during the working time of either the steward or the affected employee.

**Section 7:** The Collective Bargaining Agreement shall be posted on the College's Human Resources website.

#### **ARTICLE XVI – UNION MEETINGS**

**Section 1:** Upon request of the Union, and subject to space availability, the College will make available a suitable meeting space for general Union meetings. Union requests must be made no later than ten (10) business days prior to the desired meeting date.

#### **ARTICLE XVII - GRIEVANCE PROCEDURE**

Adjustments of all complaints, disputes, controversies, and grievances of any kind or nature arising between the College and the Union concerning the interpretation, operation, application or performance of the terms of this Agreement, or any complaint, dispute,

controversy or grievance involving a claimed breach of any of the terms or conditions of this Agreement shall be undertaken in accordance with the following procedure:

**STEP 1.** Any employee feeling him/herself aggrieved must raise a grievance within ten (10) days from the time the dispute arises or within ten (10) days of when the employee becomes aware of it with the Department Chairperson or Program Coordinator either alone or, at the employee's option, accompanied by a shop steward. Such immediate supervisor shall give an answer to said grievance within ten (10) working days.

**STEP 2.** If the grievance is not settled satisfactorily in Step 1, then within five (5) working days after the time in which the Department Chairperson's answer referred to in Step 1 is due, the employee, with or without a Union representative, shall present a written grievance in person to the grievant's Division Chairperson or that person's designee. A grievance so presented shall be answered by the Division Chairperson or that person's designee in writing within five (5) working days after its presentation.

**STEP 3.** If the grievance is not satisfactorily settled in Step 2, the grievance must, within five (5) working days after the answer in Step 2 is due, be presented to the Vice President for Academic Affairs or a designated representative of the Vice President. At the third step a grievance must again be presented in writing. The Vice President for Academic Affairs, or the designee, shall, within five (5) days of the receipt of said written grievance, discuss the matter together with the Union representative, either the Department Chairperson or Program Coordinator or the Division Chairperson, and with the aggrieved employee, unless the employee waives the right to be present; and the Vice President or the Vice President's designee shall render a decision in writing within ten (10) working days after the meeting.

For bargaining unit members assigned to the Bedford Hills College Program, Step 1 shall be presented to the Director of the Bedford Hills College Program and Step 2 to the Executive Director of Special Programs. For bargaining unit members who are tutors, Step 1 shall be presented to the Assistant Director of the Center for Academic Advancement and Step 2 to the Executive Director of Special Programs.

### **ARTICLE XVIII - ARBITRATION**

**Section 1:** A timely grievance, as defined in Article XVII, which has not been resolved thereunder must, within fifteen (15) working days after completion of Step 3 of the grievance procedure, if the complaining party wishes to pursue, be referred for arbitration by the College or the Union to arbitration before an arbitrator to be selected in accordance with the procedures of the American Arbitration Association. The arbitration shall be conducted under the Voluntary Labor Arbitration Rules then prevailing of the American Arbitration Association.

**Section 2:** The fees and expenses of the American Arbitration Association and the arbitrator shall be borne equally by the parties.

**Section 3:** The arbitrator shall have jurisdiction only over disputes arising out of grievances, as defined in Article XVII, and he or she shall have no power to add to, subtract from, modify, alter or amend in any way any of the terms of this Agreement.

Section 4: It is agreed that time is of the essence in any arbitration, and both parties will exert their best efforts to obtain a speedy decision.

Section 5: Failure on the part of the College to answer a grievance at any step shall not be deemed acquiescence thereto, and the Union may proceed to the next step.

Section 6: Anything to the contrary herein notwithstanding, a grievance concerning discharge may be presented initially at Step 3 in the first instance within ten (10) working days from the receipt of notice of the discharge.

Section 7: Without waiving their statutory rights, a grievance either on behalf of the College or the Union may be presented initially at Step 3 by notice in writing addressed to the Union at its offices, or to the College.

Section 8: All time limits herein specified shall be deemed to be regular working days.

Section 9: Any failure to file a grievance, or disposition of a grievance from which no appeal is taken within the time limits specified herein shall render the matter closed and shall not thereafter be considered subject to the grievance and arbitration provisions of this Agreement.

Section 10: A grievance which affects a substantial number of a class of employees, and which the College representative designated in Step 1 and Step 2 lacks authority to settle, may initially be presented at Step 3 by the Union representative.

### **ARTICLE XIX - WAGES**

In determining the total number of semesters taught, there shall be a maximum of two (2) semesters credited to any particular academic year. Section 3: Tutors who teach GRE prep courses and other non-credit beginning courses will be paid an additional two hours of prep time per course at their regular hourly rate.

Section 4: In the event that any course for which an adjunct faculty member has been appointed or reappointed is cancelled (a) for a fall or spring semester course, less than fourteen calendar (14) days prior to the commencement of the semester, or (b) for a summer or January semester course, less than seven (7) calendar days prior to the commencement of the semester, the adjunct faculty member shall be paid forty percent (40%) of the adjunct rate. This provision shall not apply to tutors and accompanists.

#### **ARTICLE XX – MEDICAL ASSISTANCE FUND**

Section 1: The College shall establish a Medical Assistance Fund of \$30,000.00 per year to be utilized to provide medical assistance to both adjunct faculty bargaining unit members (including tutors, accompanists, and private voice instructors) and eligible part-time staff employees (as described in the collective bargaining agreement covering staff employees between the Union and the College) (that is, a single fund covering both groups) to offset medical expenses incurred by adjunct faculty members and eligible part-time staff employees, in a manner to be determined jointly by the College and the Union, upon presentation of documentation demonstrating the payment of medical expenses by employees seeking reimbursement from the fund.

Section 2: Within thirty (30) days after the execution of this Agreement, representatives of the College and the Unions shall meet to discuss and mutually agree upon the manner in which monies from the Medical Assistance Fund will be allocated to members of the bargaining units. The discussion and mutual agreement shall include, but not be limited to, criteria for eligibility, amount of money to be allocated per eligible bargaining unit member, and length of time in which monies will be allocated to eligible bargaining unit members.

Section 3: The parties agree to study, during the term of the Agreement, alternate methods of providing health insurance to adjunct faculty members and part time staff employees, by meeting at least twice per year on this issue. Such meetings shall be scheduled at mutually convenient times that do not conflict with the party's academic responsibilities and/or MMC part time employment responsibilities. Either party may submit items for discussion. Such items must be submitted in writing to the other party at least seven (7) calendar days before the scheduled meeting. The meeting shall be limited to one hour and shall be restricted to these agenda items.

## **ARTICLE XXI – ABSENCE POLICY**

**Section 1:** Unit members shall be allowed up to two (2) absences from a scheduled class in a credit course (1-6 credits) during any semester without loss of pay for personal illness, jury duty, bereavement, academic or professional conferences or meetings approved under Article XXII, or personal emergencies or similar personal needs, including religious observance, which cannot be postponed. In all cases, the bargaining unit adjunct faculty members must notify, as soon as possible, the Chair of the division in which the bargaining unit adjunct faculty member teaches. Unless otherwise directed by the Chair, the unit member shall reschedule the class and/or require the affected students in the class to engage in a scholarly activity that does not require member “in class” time, but constitutes a learning experience for the affected students.

**Section 2:** Unit members’ absences are cumulative and, in no case, will a bargaining unit adjunct faculty member be permitted more than two (2) absences from scheduled classes in credit courses (1-6 credits) during any semester without loss of pay. Except as otherwise provided in Sections 3 and 4 of this Article, in the case of a unit member absence extending beyond two (2) scheduled classes in a credit course (1-6 credits) during any semester, the College may elect to replace the bargaining unit adjunct faculty member at the sole discretion of the Vice President for Academic Affairs and Dean of Faculty or his or her designee. The decision to replace an adjunct faculty member under Article XXI is vested exclusively in the management of the College and is not subject to the grievance procedure (except as to any dispute as to the actual occurrence of two absences). In the event the College declines to exercise its right to replace the adjunct faculty member, his or her salary shall be reduced on a pro-rata basis for all missed days in excess of two.

**Section 3:** Unit members requiring additional absences due to extraordinary personal or professional reasons may make a request to the Chair of the division or his or her designee with as much advance notice as is possible. The decision to approve or deny the unit member’s request is at the discretion of the Chair of the division or his or her designee and is not subject to the grievance procedure. Such extraordinary absences, while unpaid, shall not be cause for disciplinary action. Where additional absences are not approved by the Chair of the division or his or her designee, the College retains the right, under Section 2 above, to replace the unit member where the adjunct faculty member is absent beyond two (2) scheduled classes in a credit course (1-6 credits) during the semester.

**Section 4:** In the event that an adjunct faculty member has more than two (2) absences from a scheduled class in a credit course (1-6 credits) during any semester, and such absence has not been approved as exceptional by the Chair of the division under Section 3 of this Article, the adjunct faculty member shall have the right to appeal the decision, in writing, to the Vice President for Academic Affairs and Dean of Faculty. The Vice President for Academic Affairs and Dean of Faculty’s decision to approve more than two (2) absences from a scheduled class in a credit course (1-6 credits) during any semester shall be final and is not subject to the grievance procedure.

## **ARTICLE XXII – PROFESSIONAL SUPPORT AND DEVELOPMENT**

**Section 1:** The College shall allocate the sum of \$10,000 per year for each year during the term of this Agreement for the purpose of professional development and scholarly activities of the bargaining unit. This yearly allocation shall not be a separate fund but shall be a line item in the College's annual budget. If any portion of the yearly \$10,000 allotment is not used within such year, it shall not be retained or carried over into the subsequent budget year. The fund shall include \$10,000.00 allocated for individual grant applications set forth herein. A bargaining unit member who has been employed at the College for five (5) semesters in the five (5) years immediately prior to a given semester may apply for one (1) or a combination of three (3) grants per year from the fund for up to, but not to exceed, \$750.00 per grant for research in his/her field, or for travel, room, board, or other expenses incurred for verifiable active participation at an academic or professional conference or meeting. The applications will be selected by the Vice President of Academic Affairs and Dean of Faculty. The decision to approve or deny an application for a grant from the fund is vested exclusively in the Vice President of Academic Affairs and Dean of Faculty or his or her designee and is not subject to the grievance procedure. The decision to approve or deny an application under this Section shall be timely made in writing.

**Section 2:** Absences due to attendance at an academic or profession conference or meeting shall be subject to the Absence Policy, set forth in Article XXI.

**Section 3:** No less than thirty (30) days following the end of each academic year, the College will provide a written report to the Union on the disposition of each application for a grant in that academic year, including the date of the application, the name of the applicant, the amount requested, the date of notification of awarding or denial of the grant, and either the reason for denial or the amount of award (as applicable).
