GALLERY DIRECTOR'S STATEMENT

Committed to supporting the creative process across the practice-based disciplines, the Marymount Manhattan College Art & Art History Department presents a group show of twenty-three Junior Art majors and Art minors.

This exhibition features work from designers, photographers and studio artists who develop their unique creative expressions in the disciplines of painting, photography, drawing, watercolor, digital design, costume design, and performance art. ABOUT THE HEWITT GALLERY OF ART

The Hewitt Gallery of Art, located in the main esplanade and adjacent Black and White galleries, is a laboratory for and an extension of the pedagogy of the Art and Art History Department. In addition, it is an alternative exhibition space for contemporary art of emerging, mid-career, and established artists displaying a wide variety of media and styles. The Gallery provides opportunities for art majors and minors to gain first-hand experience in exhibiting their capstone and junior work, for students to curate and organize shows in conjunction with the Gallery Director and for faculty and alumni to present current work to the community.
