## Important Notes:

This plan may be subject to change, due to curriculum changes, course availability or advisor modification.

- Since some of the courses have prerequisites, the specific program should be arranged in close collaboration with a business faculty advisor.
- A student receiving a grade of D or below in a required or elective course for the major must repeat the course.
- Business (B.A.) majors must pass MATH 113 with at least a C minus or pass a higher -level math course.
- Elective credits must be chosen such that a total of 90 credits are in the liberal arts.

Business majors in the fashion marketing concentration may not minor in fashion studies; business majors with a social entrepreneurship concentration may not double major in entrepreneurship, business majors with an advertisng and promotion concentration may not double major in marketing; business majors in the leadership concentration may not double major in management

<sup>&</sup>lt;sup>1</sup> There are certain Business courses that are cross-listed as NYC seminars. These courses fulfill both requirements
